This program is dedicated to seniors. Although preference is given to the performing seniors we also welcome applications from various other groups to entertain the audience.

Panorama India is poised to celebrate the Senior's day for the Third Year on Sunday June 24, 2012. Seniors have all succeeded in their life reaching this stage. Its time for them to look back at their achievements and also remember their younger days and celebrate the success. This day is therefore aptly called Yaadon Ki Baaraat and is also the theme for the Seniors day. This is also the time for the community to acknowledge, recognize and celebrate the services the seniors have rendered to their family and to the community.

The month of June every year is celebrated as "Seniors Month" by the Ministry of Ontario. Panorama India would like to keep pace with the Ministry towards such great cause.
