Panorama India, with the support of Consulate General of India, Toronto, is all set to celebrate India's Republic Day Celebrations in -person on January 29th, 2023 at Pearson Convention Centre in Brampton. This special event is a full day event from 11am to 6pm ET and is open to everyone.

The weather forecast showed thunderstorms & showers the whole day but magically we didn't see any. So we begin with thanking the almighty for sheltering us the entire day. Million thanks to our dedicated team of directors and volunteers, our sponsors, media partners, community partners and vendors for promoting the event, which saw a footfall of around 150K during the entire day plus 10K people who joined the Grand Parade. The event was carried out safely with the help of Toronto Police and our security team. After two years of Pandemic, The Nathan Phillips Square was transformed into a lively place where everyone immersed into the sites, sounds, and flavors of India, right here in the heart of Toronto.
